Dear Professor,

LEVELEZŐ-LAP.

I am very sorry to have to tell you that on account of the serious state of my mother's health I am leaving Bpest next Wednesday - If possible I shall call to say good-bye, but as the time is so short & I have very much to do I am afraid it is uncertain if I shall be able to get to the Kollonteg. I shall hope to hear news of you & of your plans for the autumn - 1/.
